Rules & Regulations 2024

Registration

Players can only be rostered to a team that is within one (1) year older of their birth year.

e.g. U13 player can only be rostered to a U14.

Player Identification

Only players and team officials for whom identification is made available for inspection may have their names entered on the game sheet and be eligible to play/coach. Players and team officials without proper identification are not eligible to play or be on the bench.

Games will not be played unless there is at least one coach on the bench with valid identification, who is listed as a coach or assistant coach on the team roster. Failing to do so will result in game forfeiture and the offending team will be fined appropriately.

Rosters

Each team MUST print three (3) copies to be brought to the game to provide to the Match Officials. A maximum of twenty (20) players may be listed to the game sheet with a maximum of four (4) team officials. Only those listed on the game sheet will be permitted to sit on the bench or in the designated bench area.

Blackout Dates

There will be no C1 or C2 games scheduled from July 29 to August 5, 2024.

There will be no blackout dates in Qualifying, C1 or C2.

Call-ups

Call-up” players must be rostered with a team from the same Club (to meet the requirements of a call-up, the player MUST be called up to a higher age or division or league)

Players can only be called up to a team that is within one (1) year older of their birth year.

e.g. U13 player can only be called up to a U14.

Players registered to a Grassroots team are not permitted to be called up to U13.

A player that is registered both competitively and recreationally with different Clubs shall not be permitted to be “called up” from a recreational registration to an IModel team.

e.g. player A is registered for competitive IModel for Club A, and then registered for recreational with Club B within same Region , or from outside the Region, this player can NOT be called up to play on any other IModel team.

Game day

The maximum number of named, dressed and played players that may be recorded on a game sheet in any one game is twenty (20).

Unlimited substitutions on own stoppage (must not significantly alter flow of play).

*10-minute break between halves

Game Sheets are generated through the IModel’s League Management System.

Roster Deadlines

The Roster Freeze date for IModel C1 and C2 is July 31, 2024. Players may only be added to a roster after the roster freeze upon submission of an approved ITC (international) or IPC (interprovincial) and the approval of the Central Region Council.

A Technical Director may, in extreme circumstances and in the absence at the game of any other qualified coach, step in and be recorded on the game sheet as the Head Coach of the team for that specific game. The Technical Director must meet the Requirement of Section IV, 9. Team Officials, paragraph b).

There shall be a District IModel pre-season meeting, either in person or virtually, at which each team Head Coach or delegate must attend. Attendance will be tracked and recorded. Failure to attend the meeting will result in a \$100.00 fine. The Head Coach or delegate will receive a team information package inclusive of all rules and regulations and a form that must be signed by the Head Coach or delegate attesting to having received the rules and regulations and that they will conform to all rules and regulations as included therein. Teams will NOT be permitted to play if this form has not been received by the Host District.

Scheduling

If a team advises the league in writing, more than 48 hours in advance, that it will be unable to field a team for a scheduled league game, the game will be considered a forfeit and will not be rescheduled. A team can only use the above privilege once (1) in the season and the team will not be fined for that one instance. A second instance of “more than 48 hours in advance” will result in a forfeit and fine.

*please check IModel rules & regs Scheduling section 12.1 for more information.
